

xFocus Wall Washer 36 LED Lighting

XF36VCRGB-15/XF36VCRGB-30

The xFocus Wallwasher is our most popular fixture. Key features include compact, sturdy lights in a functional casing, and superior quality electronics. All fixtures in this series are flicker-free thus they can be used when shooting video. A series of built-in programs simplifies the use of up to 40 units at a time. The xFocus series uses high performance new generation diodes for increased light intensity.

With an IP65 rating, these light fixtures are suitable for outdoor use. Available with a standard 15-degree light beam, it can be equipped with spread lens of up to 60 degrees, upon request. These light fixtures are available with RGB diodes producing rich and saturated colors. Its rugged casing makes it the perfect choice for tours or special events. The shape of the chassis also offers excellent heat dissipation, thereby increasing the lifespan of the diodes.

All light fixtures in this series are delivered with a proof of inspection based on CSA standards. Changing the DMX address can be programmed directly on the fixture, using the buttons under a sealed cover. A three-digit signal light confirms the selected address.

- Applications**
- Architectural lighting
 - Shows and events
 - Decorations lighting
 - Backdrop, cyclorama
 - Truss warmer
 - Bars and clubs
 - Backstage lighting
 - Strobe light

Specifications

36 LED	12 red 12 green 12 blue
Beam angle	Available in 15° or 30°
Life time	50000 hours at 70% brightness
Control	DMX512A or 10 built-in programs
Casing	Aluminium alloy
Temperature	-30° C ~ 50° C
Power consumption	55 W
Weather protection	IP65 (Dust & water proof)
Weight	9 lbs [4.08 kg]
Dimensions	L 13" x W 7" x H 8" [330.2 mm x 177.8 mm x 203.2 mm]
Packing dimensions	L 14.5" x W 7.5" x H 10" [368.3 mm x 190.5 mm x 245 mm]
